

Buffillo Data Sheet

The Buffillo Hand Dryer is a superb powerful motor, wide mouthed nozzle and sturdy heating element, provides a wide tunnel of fast moving warm air to dry hands quickly and efficiently in just 10 -13 seconds. With it's rotating nozzle, the Buffillo can direct the air in any direction including up for face drying or sorting out wet clothes after a wayward drink unexpectedly lands on you during a quiet dinner out!!! Don't be fooled by the styling, the Buffillo is a powerful high speed hand dryer and another superb addition to the sturdy range at Handy Dryers.

- 10 -13 second hand drying: Rotating wide air nosel
- Traditional styling: modern technology
- Finest Cast Aluminium: 304 Stainless Steel nosel
- Automatic operation
- Available in polished chrome or white enamel powder coat finish

Technical Specification

Operating Power	220-240 V, 50/60 Hz, 2.3KW
Warm Air Speed Output	30 m/S wide nosel
Air Output Temperature	40°C – Where Ambient Temp. below 24°
Motor Type	1300W, Brush Type, Dual Ball Bearings
Motor Overload protection	Motor assembly designed with over current fuse, replaceable.
Heater Element	1000 W
Drying Time	Less 12 seconds
Drip proof	IPX1
Isolation	CLASS 1
Net Weight	6.0 kg
Unit Size	270 mm W x 239mm H x 160 mm (210 including nosel)D
Warranty	2 Years (1st Year Parts + Labour)
Noise Level (at 1m)	79 Decibels
